Outcross Approval \$10.00  
\*DNA typing kit \$40.00

\* Note\* Since outcross approval is specifically for the purposes of breeding ALL horses submitted for outcross approval must have DNA testing on file with the T.H.A. This can be from another registry, but if not available from another registry a kit must be obtained from the T.H.A. at the time of application and DNA type received and filed within 60 days of the application for approval to be complete.

Give color patterns and all markings **ACCURATELY**. This is **absolutely essential** as a means of **identification**. If the horse has no face or leg markings write none in the space for markings.
